Fall 2005 Total Regional Campus Enrollment Report

WKU Division of Extended Learning & Outreach

Total Course Enrollments of Regional Campuses

Did You Know?
Regional campus enrollments have increased by 46%.

The table above provides total course enrollments at the regional campuses and is not reflective of headcount. This figure includes the three extended campuses as well as distance education courses taken by students living in the regional campus service areas.

Regional Campus Quick Facts

- Regional campuses have grown by 2,762 enrollments in five years. Of those, almost half (1,273) were web course enrollments.
- The ratio of full and part-time students at the regional campuses shifted in this five year time span. In Fall 2001, the majority (59%) of students were part-timers. By Fall 2005, that percentage had dropped to 48%, with more students (52%) taking a full course load.
- Students from 60 Kentucky counties took advantage of courses offered through the regional campus service area.

*Headcount is not the sum of the regional campuses because students may take courses at multiple regional campuses. Additionally, due to the possibility of duplication with the main campus and community college, regional campus headcount cannot be compared with university student enrollment.
